Jennifer, you are in demand. C I know that you
don't usually do Thursdays and (b) (6) but the 11th does
not seem to work for the LWG. you to attend the
meeting and will postpone if necessary.

Eric

OK, OK , OK....I can come on the 7th but I'm not likely to have read the document. I think we need to have Jennifer and Rene there so can we wait to hear from Jennifer on Monday? I think that day is OK for Rene.

Fw: TZW meeting date

Here is the message I received from Valerie Oster regarding the TZW meeting. We will either need to meet on the 7th or find some other dates (e.g., week of September 18th). Though I do not mind postponing the meeting date, please keep in mind that we did reserve the 7th for a follow-up to the cancelled TZW meeting some time ago.

RE: TZW meeting date

Hi Eric -

Unfortunately, the 11th will not work for LWG because a majority of the human health and eco risk people are unavailable. If the 7th will not work for your team, we'll need to look at additional dates. Please advise of other days that would be available for your team.

Thanks
valerie

Valerie, I am getting a sense from our team that the 11th would be a better date. Does this work?

TZW meeting date

Hi Chip, Eric,

LWG would like to suggest September 7, from 10-5 as the date/time for the rescheduled TZW meeting. Please confirm that this date and time still work for the key people you want to have attend this meeting.

Bill will be contacting you to discuss the agenda.

cheers
valerie
